

In the mid1800-s aluminum was more expensive than gold. With about 150 years in usage, aluminum is one of the youngest commercial metals (compared with 9,000 years that copper has been around).

INSULATION FOIL & TISSUE

- Reinforced Aluminum Foil
- Roofing Fiber Glass Tissue
- FSK Facing (Foil, Scrim, Kraft)
- MSK Facing (Metalized Foil, Scrim, Kraft)
